UNIC Superdiversity School:

Inclusive Higher Education: Research, Teaching and Student Support

University of Zagreb, Trg Republike Hrvatske 3, 10 000 Zagreb, Croatia

Building upon knowledge and experience shared in previous five UNIC superdiversity schools covering different aspects of superdiversity and inclusion in higher education, and in line with the mission of UNIC4ER project, University of Zagreb decided to organize a three-day superdiversity school with focus on challenges and best practices in conducting (engaged) research and supporting students with disabilities. Academics, students and staff are all welcomed to participate and contribute to making their university more community-engaged, inclusive and superdiversity-ready.

Registration: Secure your seat [link for registration](#) The registration is organized on a “first come, first served” basis, so please be quick! There are no registration fees.

Day 1, Academic Experts’ Session (language: English)

10 May 2023 Wednesday, 09:00-12:00 CET

Trg Republike Hrvatske 3, classroom 3

The first day of UNIC Superdiversity School will address main methodological challenges in designing and conducting hard-to-reach and hard-to-survey populations and strategies for solving them and ethical considerations that researchers should take into account when conducting research involving children. The workshop will focus on topics such as informed consent, confidentiality, privacy, and the potential risks and benefits of participation. The target audience of this session are academics and PhD students.

9.00-9.30 Registration
